

DEATH TAKES SECOND WARD PUPIL FRIDAY

JANICE EARLINE SANDERS
WAS STUDENT IN
FIRST GRADE

Boys and girls in the first grade at the Miller School were shocked to learn of the death of a popular classmate, Janice Earline Sanders, age six years, in the Riley hospital at Indianapolis on Friday. She was a pupil in Miss Helen Noel's room.

The child, daughter of Earl and May Crawley Sanders, Fillmore Route One, became ill while at school Tuesday and her father took her to a physician and then to the Putnam county hospital. She was removed to the Riley hospital Wednesday and passed away Friday morning from a brain infection. She had previously complained of intense headaches.

Janice was born September 7, 1948. She is survived by the parents and a younger brother, Edward, age four.

Last rites will be held from the Rector Funeral Home at 2 o'clock Monday afternoon with burial in Forest Hill cemetery. Friends may call at the funeral home at any time.

IN THE GOOD OLD DAYS

PUTNAM DIPLOMAT—"Hon. Emory P. Beauchamp has arrived from Europe by way of Washington, and is now in the state of his nativity, our ever glorious Indiana. It is said that he has become a Democrat, and is seeking further public honors at the hands of President Cleveland. His ability as a diplomat is such, after the long experience he has had abroad, that he will doubtless be able to accomplish his purpose, and we confidently expect to see him booked for the Court of St. James, which will enable him to visit the halls of his ancestors in that country in state. He reached this city on Monday, and left the same afternoon for Portland Mills, to visit his mother in that vicinity, accompanied by a basket of fine wine, which he had brought all the way from France for that good lady. Such filial devotion in the Hon. Emory shows a good trait in his 'hole hart' which we are glad to record." (1855).

C. LUETEKE—(In December, 1892, The Greencastle Democrat carried a review of Greencastle business and industry. Submitted by Mrs. Alice Lockridge, we reproduce the account of C. Lueteke, whose bakery was still being operated by Messrs. Lueteke up until a few years ago.)—"Another of the prominent mercantile industries of the city is located in South Greencastle. We refer to the bakery of Mr. C. Lueteke. Our acquaintance with the business operations of Mr. Lueteke would pass by his bakery without giving it a second glance, for in the appearance of the establishment, there is nothing to indicate its importance. There is no great display of confectionery or fancy goods, and the other paraphernalia of more pretentious affairs of the kind. The Democrat reporter wishes in this great review, to delve somewhat below the surface of affairs, and so we make conspicuous mention of a man and an enterprise, whose yearly business figures conspicuously in any exhibit which he made of the city and its trade.—First, some personal items concerning Mr. Lueteke. He was born in Mecklenburg, North Germany, about forty-nine years ago, and when a boy fourteen years of age, he began his apprenticeship to the baker's trade. All trades are taught thoroughly in the old country, and the case of Mr. Lueteke was no exception to the common rule. He continued to follow his trade in the old country until 1866 when he removed to the United States, and for the following three years worked as a journeyman in Indianapolis and Chicago. Then he came here, a stranger among strangers. Since establishing his present business he has grown wonderfully—has grown because he pushed affairs with sound business judgment, and because he displayed such familiarity with the art of baking—This modest appearing bakery supplies by far the greatest proportion of bread to this city—more than all others combined. He sends his delivery wagons all over the city, and ships by express to many of the surrounding towns, such as Coatesville, Stillsville, Amo and Cloverdale.—His bread trade is something enormous. His oven holds 500 loaves, and it is not at all unusual for Mr. Lueteke to make as many as 1,800 loaves of bread on Saturdays. As a matter of course, a trade of such proportions calls for a corresponding consumption of flour. He often gives orders for from two to three hundred barrels at a time.—To have built up a business of

LANDS ON RESTAURANT

INDIANAPOLIS, March 19.—(UP)—A helicopter resting atop an Indianapolis restaurant today marked what was believed to be the first roof-top landing by an aircraft in Hoosier history.

The pilot, Al Luke, an aeronautical instructor at Lewis College, landed his egg beater sunnyside up late Friday atop the Steckler House, a restaurant along one of the city's main streets.

Luke said the unorthodox landing was in answer to a dare made by his friend, Don Steckler, restaurant owner, who often had urged him to "drop in" sometime by helicopter.

Luke planned a return to Illinois today after causing a mild traffic jam of curious motorists who went out of their way to see this possible future answer to the parking problems.

School Receives \$5,000 Bequest

BRITISH ANNOYED

LONDON, March 19.—(UP)—Britain viewed with mounting horror today the United States decision to make public the documents of the Potsdam, Tehran and Casablanca Conferences.

British sources, annoyed at release of the Yalta documents this week, said it appeared the United States was ready to add insult to injury.

The British Foreign Office, which unsuccessfully opposed publication of the Yalta papers also was opposed to publication of the Potsdam, Tehran, Casablanca "and other World War II" conferences.

Pan Fish Season To Be Continued

INDIANAPOLIS, March 19.—(UP)—State Conservation Director Harley G. Hook today announced the closed season on pan fish again will be suspended this season.

Hook acted after a meeting Friday in which most Hoosier anglers opposed the 45-day closed season for pan fish between May 1 and June 15. However, the state law providing for the same closed season on game fish will remain in force.

Hook said 45 persons attended the meeting and 37 of them favored the open season. In addition, most of 6,000 persons contacted in a mail poll advocated suspending the closed season.

Pan fish include such species as sunfish, bluegills, rock bass and perch. Game fish include small and large mouth bass, silver bass and pike.

REDS DEPLOY MORE FORCES ALONG COAST

THREE NEW CHINESE DIVISIONS
SHOW MASS OPPOSITE
ISLAND OF FORMOSA

TAIPEI, Formosa, March 19.—(UP)—Nationalist intelligence sources were reported yesterday to have spotted three new Red Chinese divisions deployed along the Fukien Coast of the China mainland, fronting Formosa.

The reinforcements arrived simultaneously with the renewal of blustering by the Communist Radio Peiping that the Communists will not be swayed from their determination to capture Formosa and the Nationalist-held islands near the China Coast.

Tatoo News Agency, the voice of the Nationalist Ministry of Interior, said intelligence reports showed 40,000 new Red troops—including one new marine division—just have been deployed along the China coastal "invasion front."

Most of them, it was claimed, are based in and near Foochow, the port from which Nationalist sources believe Red China will attempt to invade Matsui Island—20 miles off the coast and 120 miles northwest of Formosa.

Tatoo also claimed that all available vessels along the coast, from Foochow to Yenching, have been readied for use as military transport and the agency said the invasion of Matsui apparently "is very near."

Communist artillery farther south, at Amoy, resumed its sporadic shelling of Quemoy Island. Shelling sources described the shelling as light and said little damage was caused.

Files For Mayor, Fired By Mayor

WHITING, Ind., March 19.—Stephen Grabovac, Whiting street commissioner six years, said he was fired yesterday by Mayor Michael B. Blastick because Grabovac filed as a candidate for mayor in the May primary election.

Both men are Democrats. Grabovac was appointed to the street job six years ago by then Mayor Andrew S. Kovack who resigned to take over as Lake County Auditor Jan. 1.

Blastick figured in the January "two-mayors" situation in which a city council group challenged his elevation from councilman to mayor, which finally ended in a compromise. Although he is reported ready to run for nomination and election as mayor, Blastick has not yet filed for the post.

Grabovac said that he was informed his firing was due to filing as a candidate for mayor.

Giver Of Free Advice Put On The Receiving End

Again today Mr. Muzzy put
the whammy on the great Mr.
Champion. As usual he stumbled
into the right play but that made
it all the harder for Mr. Cham-
pion to bear.

nerable.

Mr. Muzzy was giving some ad-
vice to a group of new players
who were kibitzing the game
(thereby setting them back at
least ten years and he failed to
pay close attention when Mr.
Abel led the queen of clubs. He
pulled the four from the board
and played the eight from his
own hand. Then he promptly
led a small heart.

Mr. Champion pushed the card
back.

"Is it asking too much," he
said, "to request that we try to
avoid complete chaos by observ-
ing some of the basic rules of the
game?"

"What are you talking about?"
asked Mr. Muzzy belligerently.

NOT HIS LEAD

"It is asking too much," he
replied Mr. Champion firmly.
"Abel won the trick."

Mr. Muzzy claimed the queen
of clubs came from the dummy
but he was finally overruled.
Even he could see that he had to
lose three diamonds and a spade
for down one. Now he had lost a
club in addition.

When order was restored Mr.
Abel continued with the jack of
clubs. This time Mr. Muzzy
couldn't help winning with the
ace. He led a heart to dummy's
ten and returned the jack of
spades. Mr. Champion covered
with the queen and the ace won.
Dummy was entered again with
the jack of hearts and on the
king of clubs Mr. Muzzy dis-
carded his last spade.

HOPELESS LOOK

Still hoping for a hopeless look,
he now led dummy's 10 of spades
and ruffed in his hand when Mr.
Champion covered with the king.
Now the king of hearts got him
on the board again to lead the
eight of spades. Three followed
an agonizing moment as he tried
to remember whether that card
was good.

Mr. Abel fidgeted. Mr. Cham-
pion was tense and grim. Mrs.
Keen couldn't bear to look. She
held a hand over her eyes.

At last Mr. Muzzy discarded
two diamonds on the good spades
and announced brightly, "Only
down one partner."

Mrs. Keen cleared her throat.
"You mean it, she said hoarsely.
Mr. Champion got up from the
table. "Think I'll take up test
piloting," he said. "It's easier on
the nerves."

Thursday—Conference at Tur-
key Run
7:00 P. M.—Lenten Service,

with Don Reiff, DePauw Pre-
theo, preaching. Coffee Hour af-
terward in Parish House. Every-
one invited.

Friday 4:45 P. M. Evening
Prayer (Daily at this hour)

The Quiet Day observed by the
women of the Parish last Thurs-
day was successful in every re-
spect, and we are looking for-
ward to another such day. Medi-
tations from the book of Genesis
were provided by the Vicar, plus
readings from St. Thomas a
Kempis (14th century Saint) and
from the recent book, By the
Power of God, of Samuel M.
Shoemaker, Rector of Calvary
Church, Pittsburgh. The Day be-
gan with a Communion Service
which preceded the meditations.
It is nothing short of miraculous
that a group of women could
keep silent for a period of sev-
eral hours! But the exercise was
good for them. We hope that
more women will join us in our
next Quiet Day.

The Feast Day of the Annun-
ciation of the Blessed Virgin Mary
falls this year on Friday, March
25, but we will observe it on
Tuesday of this next week at the
7:00 A. M. Service, March 22nd.
Will the Altar Guild therefore
please take note. Color for the
day is white.

While we were delighted to re-
ceive thirteen persons into
Christ's Flock through Holy
Baptism last Sunday, the next
scheduled date for this sacra-
ment will take place on Holy
Saturday, April 9, at 4:00 P. M.
Parents of infants and children,
persons and adults, should notify
the Vicar or Miss Robbins of their
intention.

St. Andrew's is open daily for
prayer and meditation to all
people and visitors are most wel-
come to worship with us in any
of our services.

IS IT LATER THAN YOU THINK ?

Right now your heart is ticking off the seconds of a
lifetime!

Without your willing it to do so, it is pumping life
through your veins at an approximate rate of 72 beats a
minute. In one year it will have pulsed close to 38 million
times—if all goes well.

But suppose your heart suddenly stops tomorrow—
or next week—or, at the latest, next month. What then?

Someone, somehow, will help your family pick up
the pieces and resume a life of sorts. But only you can
guide the destination of your soul.

Let your pastor and your church show you the Way.
Look to the future!

It may be later than you think.

THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for
the building of character and good citizenship.
It is a storehouse of spiritual values. Without a
strong Church, neither democracy nor civilization
can survive. There are four sound reasons why
every person should attend services regularly
and support the Church. They are: (1) For his
own sake. (2) For his children's sake. (3) For the
sake of his community and nation. (4) For the
sake of the Church itself, which needs his moral
and material support. Plan to go to church regu-
larly and read your Bible daily.
